**AMENDMENT 001****2005 STATE ENERGY PROGRAM SPECIAL PROJECTS**

The U.S. Department of Energy's (DOE) National Energy Technology Laboratory (NETL) have issued **Amendment 001** to the Master Funding Opportunity announcement (DE-PS26-05NT42396) for the **2005 State Energy Program (SEP) Special Projects**.

Amendment 001 revises Section IV - Application and Submission Information, Item D. Content and Form of Application, under "Project Narrative" requirements located on page 12 of the Master Funding Opportunity announcement. Specifically, Amendment 001 deletes the third paragraph under Project Narrative and replaces it with the following:

"The project narrative file must not exceed ten (10) pages (excluding the cover page and Statement of Project Objectives) single-spaced, 1" margins (top, bottom, left, right), and when printed will fit on size 8 1/2" by 11" paper. The type must be legible and not smaller than 11 point. Evaluators will review only the number of pages specified."

Please see the full text of Amendment 001 for details. Amendment 001 is available on the DOE's Industry Interactive Procurement System (IIPS) web site at <http://e-center.doe.gov>. For your convenience, a copy of Amendment 001 is available in Adobe PDF format and can be downloaded from the Commission's web site at <http://www.energy.ca.gov/contracts>.
